

SPOOKY MUTAGEN FORMULA

ENVIRONMENT

Use with Mutagen Formula only!

Special Set-Up Setup: Before completing the setup on main scheme 1A, create a Goblin deck by combining each nemesis minion you own from heroes not in the current game. Remove all **GOBLIN** minions from the encounter deck. Shuffle in 12 random cards from the Goblin deck into the encounter deck and flip this card.

The formula isn't only changing everyday citizens!

SPOOKY MUTAGEN FORMULA

ENVIRONMENT

Nemesis minions have the **GOBLIN** trait in all game areas (including the encounter deck).

Forced Response: After this card enters play, each player discards cards from the top of the encounter deck until they discard a minion and places them into play engaged with them.

Forced Response: After the encounter deck empties, shuffle 3 minions from the Goblin deck into the encounter deck.

They just keep appearing!
